To: Delaware Public School Educators
From: Delaware Retired School Personnel Association
Re: Grant Opportunity

You are invited to apply for a *Partners in Education* grant that is being provided by the Delaware Retired School Personnel Association. The goal of this grant offering is to assist educators in improving student performance in one or more subject areas.

It is anticipated that approximately eighteen grants will be funded. The maximum award amount is \$500.00.

In order to apply you must be an educator in a Delaware public school (including charter schools). First consideration of grant applications will be made of those received on or before October 19, 2018 and awards will be made by November 16, 2018. Applications received after October 19 may be considered if funds are available. Copies of the same application will not be considered.

Grant applications will be judged based on the following criteria:

- Innovative qualities of the project
- Project Goals and Objectives
- How the project will improve student performance in one or more subject areas.
- Scope of involvement, i.e., does the project include children from other grades, parents, other volunteers?
- Number of children served by the project this school year
- Ability of items or services purchased with grant funds to be utilized in the future

The one-page grant form is available as a pdf and doc file on the DRSPA website at www.drspa.org. To apply, download the form and complete it. Applications can be mailed to our office or emailed to email@drspa.org. **Grant recipients will be required to complete a one-page financial and summary report by June 14, 2019.**

If you have questions about the grant application process feel free to email us at email@drspa.org or call (302) 674-8252. We look forward to receiving your grant application.

Wayne E. Emsley
Executive Director
